AMENDMENT IN THE NATURE OF A SUBSTITUTE

(Proposed by the House Committee on Transportation

on \_\_\_\_\_)

(Patron Prior to Substitute--Delegate Wyatt)

A BILL to amend and reenact § 46.2-1571 of the Code of Virginia, relating to motor vehicle dealers and manufacturers; compensation for recall, warranty, and maintenance obligations.

**Be it enacted by the General Assembly of Virginia:**

**1. That § 46.2-1571 of the Code of Virginia is amended and reenacted as follows:**

**§ 46.2-1571. Recall, warranty, maintenance and sales incentive obligations.**

A. Each motor vehicle manufacturer, factory branch, distributor, or distributor branch shall (i) specify in writing to each of its motor vehicle dealers licensed in the Commonwealth the dealer's obligations for preparation, delivery, recall, and warranty service on its products and (ii) compensate the dealer for recall or warranty parts, service, and diagnostic work required of the dealer by the manufacturer or distributor as follows:

1. Compensation of a dealer for recall or warranty parts, service, and diagnostic work shall not be less than the amounts charged by the dealer for the manufacturer's or distributor's original parts, service, and diagnostic work to retail customers for nonwarranty service, parts, and diagnostic work installed or performed in the dealer's service department ~~unless the amounts are not reasonable, and the determination of compensation in accordance with the provisions of this section shall be deemed reasonable due to the substantial number of repair orders reviewed, unless the manufacturer can show that the amounts are not reasonable. All manufacturer or distributor compensated parts, service, diagnostic work, updates to a vehicle accessory or function, or initialization or repair of a vehicle part, system, accessory, or function performed by the dealer shall be subject to this subsection.~~ Recall or warranty parts compensation shall be stated as a percentage of markup, which shall be an agreed reasonable approximation of retail markup and which shall be uniformly applied to all of the manufacturer's or distributor's parts unless otherwise

27 provided for in this section. If the dealer and manufacturer or distributor cannot agree on the recall or  
28 warranty parts compensation markup to be paid to the dealer, the markup shall be determined by an  
29 average of the dealer's retail markup on all of the manufacturer's or distributor's parts as described in  
30 subdivisions 2 and 3.

31 2. For purposes of determining recall or warranty parts and service compensation paid to a dealer  
32 by the manufacturer or distributor, including body-shop repairs, only retail repair orders, or the retail  
33 portion of repair orders containing retail and non-retail operations, shall be considered. For the purposes  
34 of this section, "retail" does not include menu-priced parts or services, services and parts used in internal  
35 repairs paid by the dealer, group discounts, special event discounts, and special event promotions shall  
36 not be considered in determining amounts charged by the dealer to retail customers. For purposes of  
37 determining labor compensation for recall or warranty body shop repairs paid to a dealer by the  
38 manufacturer or distributor, internal and insurance paid repairs shall not be considered in determining  
39 amounts charged by the dealer to retail customers, and insurance-paid repairs.

40 3. Increases in dealer recall or warranty parts and service compensation and diagnostic work  
41 compensation, pursuant to this section, shall be requested by the dealer in writing, shall be based on 100  
42 consecutive repair orders or all repair orders over a 90-day period, whichever occurs first, ~~and, in the case~~  
43 ~~of parts.~~ If any portion of a retail repair order includes amounts that are not retail, such portion shall be  
44 excluded. Compensation for parts shall be stated as a percentage of markup that shall be uniformly applied  
45 to all the manufacturer's or distributor's parts.

46 4. In the case of recall or warranty parts compensation, the provisions of this subsection shall be  
47 effective only for model year 1992 and succeeding model years.

48 5. If a manufacturer or distributor furnishes a part to a dealer at no cost for use by the dealer in  
49 performing work for which the manufacturer or distributor is required to compensate the dealer under this  
50 section, the manufacturer or distributor shall compensate the dealer for the part in the same manner as  
51 recall or warranty parts compensation, less the wholesale costs, for such part as listed in the manufacturer's  
52 current price schedules. A manufacturer or distributor may pay the dealer a reasonable handling fee instead  
53 of the compensation otherwise required by this subsection for special high-performance complete engine

54 assemblies in limited production motor vehicles that constitute less than five percent of model production  
55 furnished to the dealer at no cost, if the manufacturer or distributor excludes such special high-  
56 performance complete engine assemblies in determining whether the amounts requested by the dealer for  
57 recall or warranty compensation are consistent with the amounts that the dealer charges its other retail  
58 service customers for parts used by the dealer to perform similar work.

59 6. In the case of service work, manufacturer original parts or parts otherwise specified by the  
60 manufacturer or distributor, and parts provided by a dealer either pursuant to an adjustment program as  
61 defined in § 59.1-207.34 or as otherwise requested by the manufacturer or distributor, the dealer shall be  
62 compensated in the same manner as for recall or warranty service or parts.

63 This section does not apply to compensation for parts such as components, systems, fixtures,  
64 appliances, furnishings, accessories, and features that are designed, used, and maintained primarily for  
65 nonvehicular, residential purposes. Recall, warranty, and sales incentive audits of dealer records may be  
66 conducted by the manufacturer, factory branch, distributor, or distributor branch on a reasonable basis,  
67 and dealer claims for recall, warranty, or sales incentive compensation shall not be denied except for good  
68 cause, such as performance of nonwarranty repairs, lack of material documentation, fraud, or  
69 misrepresentation. A dealer's failure to comply with the specific requirements of the manufacturer or  
70 distributor for processing the claim shall not constitute grounds for the denial of the claim or reduction of  
71 the amount of compensation to the dealer as long as reasonable documentation or other evidence has been  
72 presented to substantiate the claim. The manufacturer, factory branch, distributor, or distributor branch  
73 shall not deny a claim or reduce the amount of compensation to the dealer for recall or warranty repairs to  
74 resolve a condition discovered by the dealer during the course of a separate repair requested by the  
75 customer or to resolve a condition on the basis of advice or recommendation by the dealer. Claims for  
76 dealer compensation shall be paid within 30 days of dealer submission or within 30 days of the end of an  
77 incentive program or rejected in writing for stated reasons. The manufacturer, factory branch, distributor,  
78 or distributor branch shall reserve the right to reasonable periodic audits to determine the validity of all  
79 such paid claims for dealer compensation. Any chargebacks for recall or warranty parts or service  
80 compensation and service incentives shall only be for the six-month period immediately following the

81 date of the claim and, in the case of chargebacks for sales compensation only, for the six-month period  
82 immediately following the date of claim. However, such limitations shall not be effective if a  
83 manufacturer, factory branch, distributor, or distributor branch has reasonable cause to believe that a claim  
84 submitted by a dealer is intentionally false or fraudulent. For purposes of this section, "reasonable cause"  
85 means a bona fide belief based upon evidence that the material issues of fact are such that a person of  
86 ordinary caution, prudence, and judgment could believe that a claim was intentionally false or fraudulent.  
87 A dealer shall not be charged back or otherwise liable for sales incentives or charges related to a motor  
88 vehicle sold by the dealer to a purchaser other than a licensed, franchised motor vehicle dealer and  
89 subsequently exported or resold, unless the manufacturer, factory branch, distributor, or distributor branch  
90 can demonstrate by a preponderance of the evidence that the dealer should have known of and did not  
91 exercise due diligence in discovering the purchaser's intention to export or resell the motor vehicle.

92 B. It shall be unlawful for any motor vehicle manufacturer, factory branch, distributor, or  
93 distributor branch to:

- 94 1. Fail to perform any of its recall or warranty obligations, including tires, with respect to a motor  
95 vehicle;
- 96 2. Fail to assume all responsibility for any liability resulting from structural or production defects;
- 97 3. Fail to include in written notices of factory recalls to vehicle owners and dealers the expected  
98 date by which necessary parts and equipment will be available to dealers for the correction of defects;
- 99 4. Fail to compensate any of the motor vehicle dealers licensed in the Commonwealth for repairs  
100 effected by the dealer of merchandise damaged in manufacture or transit to the dealer where the carrier is  
101 designated by the manufacturer, factory branch, distributor, or distributor branch;
- 102 5. Fail to fully compensate its motor vehicle dealers licensed in the Commonwealth for recall or  
103 warranty parts, work, and service pursuant to subsection A either by reduction in the amount due to the  
104 dealer or by separate charge, surcharge, or other imposition by which the motor vehicle manufacturer,  
105 factory branch, distributor, or distributor branch seeks to recover its costs of complying with subsection  
106 A, or for legal costs and expenses incurred by such dealers in connection with recall or warranty  
107 obligations for which the manufacturer, factory branch, distributor, or distributor branch is legally

108 responsible or which the manufacturer, factory branch, distributor, or distributor branch imposes upon the  
109 dealer;

110 5a. Fail to fully reimburse a dealer for the cost to the dealer of a rental vehicle provided to a  
111 customer as required, offered, advertised as available, or agreed to by the manufacturer or distributor shall  
112 be considered a violation of this subsection;

113 5b. Fail to provide compensation consistent with this section to a dealer for assistance requested  
114 by a customer whose vehicle was subjected to an over the air or remote change, repair, or update to any  
115 part, system, accessory, or function by the vehicle manufacturer or distributor and performed at the  
116 dealership to satisfy the customer shall be considered a violation of this subsection;

117 6. Misrepresent in any way to purchasers of motor vehicles that warranties with respect to the  
118 manufacture, performance, or design of the vehicle are made by the dealer, either as warrantor or co-  
119 warrantor;

120 7. Require the dealer to make warranties to customers in any manner related to the manufacture,  
121 performance, or design of the vehicle;

122 8. Shift or attempt to shift to the motor vehicle dealer, directly or indirectly, any liabilities of the  
123 manufacturer, factory branch, distributor or distributor branch under the Virginia Motor Vehicle Warranty  
124 Enforcement Act (§ 59.1-207.9 et seq.), unless such liability results from the act or omission by the dealer;  
125 ~~or~~

126 9. Deny any dealer the right to return any part or accessory that the dealer has not sold within 12  
127 months where the part or accessory was not obtained through a specific order initiated by the dealer but  
128 instead was specified for, sold to and shipped to the dealer pursuant to an automated ordering system,  
129 provided that such part or accessory is in the condition required for return to the manufacturer, factory  
130 branch, distributor, or distributor branch, and the dealer returns the part within 30 days of it becoming  
131 eligible under this subdivision. For purposes of this subdivision, an "automated ordering system" shall be  
132 a computerized system that automatically specifies parts and accessories for sale and shipment to the  
133 dealer without specific order thereof initiated by the dealer. The manufacturer, factory branch, distributor,  
134 or distributor branch shall not charge a restocking or handling fee for any part or accessory being returned

135 under this subdivision. This subdivision shall not apply if the manufacturer, factory branch, distributor, or  
136 distributor branch has available to the dealer an alternate system for ordering parts and accessories that  
137 provides for shipment of ordered parts and accessories to the dealer within the same time frame as the  
138 dealer would receive them when ordered through the automated ordering system; or

139 10. When providing a new motor vehicle to a dealer for offer or sale to the public, fail to provide  
140 to such dealer a written disclosure that may be provided to a potential buyer of the new motor vehicle of  
141 each accessory or function of the vehicle that may be initiated, updated, changed, or maintained by the  
142 manufacturer or distributor through over the air or remote means, and the charge to the customer for such  
143 initiation, update, change, or maintenance. A manufacturer or distributor may comply with this  
144 subdivision by notifying the dealer that such information is available on a website or by other digital  
145 means.

146 C. Notwithstanding the terms of any franchise, it shall be unlawful for any motor vehicle  
147 manufacturer, factory branch, distributor, or distributor branch to fail to indemnify and hold harmless its  
148 motor vehicle dealers against any losses or damages arising out of complaints, claims, or suits relating to  
149 the manufacture, assembly, or design of motor vehicles, parts, or accessories, or other functions by the  
150 manufacturer, factory branch, distributor, or distributor branch beyond the control of the dealer, including,  
151 without limitation, the selection by the manufacturer, factory branch, distributor, or distributor branch of  
152 parts or components for the vehicle or any damages to merchandise occurring in transit to the dealer where  
153 the carrier is designated by the manufacturer, factory branch, distributor, or distributor branch. The dealer  
154 shall notify the manufacturer of pending suits in which allegations are made that come within this  
155 subsection whenever reasonably practicable to do so. Every motor vehicle dealer franchise issued to,  
156 amended, or renewed for motor vehicle dealers in Virginia shall be construed to incorporate provisions  
157 consistent with the requirements of this subsection.

158 D. On any new motor vehicle, any uncorrected damage or any corrected damage exceeding three  
159 percent of the manufacturer's or distributor's suggested retail price as defined in 15 U.S.C. §§ 1231 -1233,  
160 as measured by retail repair costs, must be disclosed to the dealer in writing prior to delivery. Factory  
161 mechanical repair and damage to glass, tires, and bumpers are excluded from the three percent rule when

162 properly replaced by identical manufacturer's or distributor's original equipment or parts. Whenever a new  
163 motor vehicle is damaged in transit, when the carrier or means of transportation is determined by the  
164 manufacturer or distributor, or whenever a motor vehicle is otherwise damaged prior to delivery to the  
165 new motor vehicle dealer, the new motor vehicle dealer shall:

166 1. Notify the manufacturer or distributor of the damage within three business days from the date  
167 of delivery of the new motor vehicle to the new motor vehicle dealership or within the additional time  
168 specified in the franchise; and

169 2. Request from the manufacturer or distributor authorization to replace the components, parts,  
170 and accessories damaged or otherwise correct the damage, unless the damage to the vehicle exceeds the  
171 three percent rule, in which case the dealer may reject the vehicle within three business days.

172 E. If the manufacturer or distributor refuses or fails to authorize correction of such damage within  
173 10 days after receipt of notification, or if the dealer rejects the vehicle because damage exceeds the three  
174 percent rule, ownership of the new motor vehicle shall revert to the manufacturer or distributor, and the  
175 new motor vehicle dealer shall have no obligation, financial or otherwise, with respect to such motor  
176 vehicle. Should either the manufacturer, distributor, or the dealer elect to correct the damage or any other  
177 damage exceeding the three percent rule, full disclosure shall be made by the dealer in writing to the buyer  
178 and an acknowledgement by the buyer is required. If there is less than three percent damage, no disclosure  
179 is required, provided the damage has been corrected. Predelivery mechanical work shall not require a  
180 disclosure. Failure to disclose any corrected damage within the knowledge of the selling dealer to a new  
181 motor vehicle in excess of the three percent rule shall constitute grounds for revocation of the buyer order,  
182 provided that, within 30 days of purchase, the motor vehicle is returned to the dealer with an  
183 accompanying written notice of the grounds for revocation. In case of revocation pursuant to this section,  
184 the dealer shall accept the vehicle and refund any payments made to the dealer in connection with the  
185 transaction, less a reasonable allowance for the consumer's use of the vehicle as defined in § 59.1-207.11.  
186 Nothing in this section shall be construed to exempt from the provisions of this section damage to a new  
187 motor vehicle that occurs following delivery of the vehicle to the dealer.

188 F. If there is a dispute between the manufacturer, factory branch, distributor, or distributor branch  
189 and the dealer with respect to any matter referred to in subsection A, B, or C, either party may petition the  
190 Commissioner in writing, within 30 days after either party has given written notice of the dispute to the  
191 other, for a hearing. The decision of the Commissioner shall be binding on the parties, subject to rights of  
192 judicial review and appeal as provided in Chapter 40 (§ 2.2-4000 et seq.) of Title 2.2. However, nothing  
193 contained in this section shall give the Commissioner any authority as to the content or interpretation of  
194 any manufacturer's or distributor's warranty. A manufacturer, factory branch, distributor, or distributor  
195 branch may not collect chargebacks, fully or in part, either through direct payment or by charge to the  
196 dealer's account, for recall or warranty parts or service compensation, including service incentives, sales  
197 incentives, other sales compensation, surcharges, fees, penalties, or any financial imposition of any type  
198 arising from an alleged failure of the dealer to comply with a policy of, directive from, or agreement with  
199 the manufacturer, factory branch, distributor, or distributor branch until 40 days following final notice of  
200 the amount charged to the dealer following all internal processes of the manufacturer, factory, factory  
201 branch, distributor, or distributor branch. Within 30 days following receipt of such final notice, the dealer  
202 may petition the Commissioner, in writing, for a hearing. If a dealer requests such a hearing, the  
203 manufacturer, factory branch, distributor, or distributor branch may not collect the chargeback, fully or in  
204 part, either through direct payment or by charge to the dealer's account, until the completion of the hearing  
205 and a final decision of the Commissioner concerning the validity of the chargeback.
